

ALAN LOWENTHAL, Congresswoman DORIS MATSUI, Congressman JERRY MCNERNEY, Congressman GEORGE MILLER, Congresswoman GRACE NAPOLITANO, Congresswoman GLORIA NEGRETE MCLEOD, Congresswoman NANCY PELOSI, Congressman SCOTT PETERS, Congresswoman LUCILLE ROYBAL-ALLARD, Congressman RAUL RUIZ, Congresswoman LINDA SÁNCHEZ, Congresswoman LORETTA SANCHEZ, Congressman ADAM SCHIFF, Congressman BRAD SHERMAN, Congresswoman JACKIE SPEIER, Congressman ERIC SWALWELL, Congressman MARK TAKANO, Congressman MIKE THOMPSON, Congressman JUAN VARGAS, Congresswoman MAXINE WATERS, and Congressman HENRY WAXMAN to honor our dear friend Mike Garcia who is retiring after more than 30 years of service to working families in California.

Mike served as the President of Service Employees International Union United Service Workers West (SEIU USSW) between 1988 and 2014, where he led 40,000 janitors, security officers and airport workers across California in the fight for good jobs. Mike has been involved in the labor movement since 1980, when he began his career organizing janitors first in San Jose and later in San Diego in the "Justice for Janitors" campaign.

In 2010 he oversaw the merger of several local unions into SEIU USWW, a statewide union of property service workers. Mike guided SEIU USWW through years of dramatic growth, taking a union of 1,800 janitors and building a powerful statewide local on the forefront of fighting for immigrants' rights and lifting working families out of poverty.

Mike had a deep understanding of policy and the questions that matter most to working class Californians. He was also extremely brave; willing to face the strongest adversaries when fighting for those who needed his help. According to Mike, his greatest accomplishment was winning the historic janitors' strike of 2000 in Los Angeles, an action he proudly notes "changed the lives of thousands of janitors and their families because USWW members—the real heroes of the strike—laid it all on the line for a chance to win and bring their families into the American middle class."

In retirement Mike will remain a powerful voice for vulnerable populations and a strong advocate for comprehensive immigration reform to help millions of aspiring citizens achieve better lives.

Mr. Speaker, we ask the entire House of Representatives to join us in honoring Mike Garcia for his service to our Country.

CONGRATULATING LEBANESE TAVERNA ON THEIR 35TH ANNIVERSARY

HON. JAMES P. MORAN

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 9, 2014

Mr. MORAN. Mr. Speaker, I rise today to congratulate Lebanese Taverna on their 35th Anniversary. Tanios and Marie Abi-Najm immigrated to the United States in 1976, along with their five young children: Dory, Dany, David, Gladys and Grace.

The family boarded a cargo ship, in the dead of the night, to escape the Civil War in Lebanon, bringing only what they could carry. Their final destination was Arlington, Virginia where other family members had already been living. After working in local restaurants for three years, the family saved enough to purchase a small restaurant in the Westover neighborhood of Arlington, near their home. Being practical, they kept the original sign, "Athenian Taverna," changing just one word, thus "Lebanese Taverna" was born. Each family member had a role at the original location, whether it was greeting guests, serving

food, cooking in the kitchen or finishing homework at the tables.

Lebanese Taverna today, 35 years later, is a multi-concept collaboration with six restaurants, four quick service cafes, a market, and full service catering division. Tanios and Marie are easing into retirement (although still involved in quality control) while the five siblings, each with their own specialty, operate the business. Today the Abi-Najm children still greet old friends and welcome new ones into the restaurants where they grew up and shared their lives, in keeping with their motto, "good food enjoyed in good company." Lebanese Taverna has come to symbolize the realization of dreams and the rewards of dedication.

Mr. Speaker, once again, let me congratulate Mr. and Mrs. Abi-Najm on their 35 years of success. This family embodies the very best ideals of the American dream; hard work and a strong commitment to family and community. Congratulations on 35 years of success!

IN MEMORY OF PAT TORO

HON. GRACE MENG

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 9, 2014

Ms. MENG. Mr. Speaker, I rise today in memory of my constituent, Pat Toro, decorated Vietnam veteran, longtime former president of the Queens chapter of the Vietnam Veterans of America, and retired law-enforcement officer. Pat passed away on Thursday, July 3, at the age of sixty-four, after a long battle with leukemia.

Pat served his country as a Marine during the Vietnam War. Upon his return to the United States he continued to serve his community as a criminal investigator for the Port Authority of New York and New Jersey. In addition to being the President of the Queens chapter of the Vietnam Veterans of America, Pat held the positions of Southern District Leader and National Director at Large.

During his tenure with the Vietnam Veterans of America, Pat was profoundly dedicated to improving the quality of life and preserving the history of his fellow veterans. He started a program to provide dignified burials for indigent veterans, which gave ninety people the proper respect they had earned. One of Pat's goals was to construct a memorial that would honor the more than 400 fallen Vietnam veterans from Queens. Although this project remains on hold, completing it would be a fitting honor to Pat's memory.

There is not a better example of unbridled patriotism and service than Pat Toro, who was inducted into the New York State Veterans Hall of Fame in 2006.

I ask that my colleagues in the House of Representatives join me and rise in memory of the courageous and benevolent American hero, Pat Toro, who provided an immeasurable service to some of the most deserving Americans.

HON. DAVID G. REICHERT

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 9, 2014

Mr. REICHERT. Mr. Speaker, I rise today to honor the Ellensburg High School Varsity Baseball Team. On Saturday May 31, 2014 the team won the Class 2A Washington State Championship, the first baseball state championship in the school's history.

This group of young men overcame adversity and, through extra practices and hard work, came to finish their season with a 10 game winning streak and winning 14 of their last 15 games. It is this perseverance that earned them this incredible championship. None of this would have been possible, of course, without the exemplary leadership of the Bulldog's Head Coach Todd Gibson, who has inspired and directed these student athletes for the past 5 years.

The young men on the team deserve individual recognition as well. They are: Xander Orejudos, Travis Lyman, Cameron Curtis, Cameron Campbell, Kyle Hickman, Bobby Ward, Tyler Wyatt, Dalton Mandelas, Garrett Hull, Junior Ledgard, Tyrel Panter, Alex Ponchene, Alonso Bibiano, Ceanu Strom, Kyler Watts, Taylor Smith, and Million Zimmerman. The coaching staff also: Brian Kelley, Travis Gibson, Casey Kelley, DJ Smith, Ryan Kellogg, and Gage Gibson.

I am honored to have Ellensburg High School as part of the Eighth Congressional District of Washington and I congratulate them on their success, and earning the 2014 Class 2A State Championship. Thank you.

RECOGNIZING THE CALIFORNIA FARM WATER COALITION

HON. JIM COSTA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 9, 2014

Mr. COSTA. Mr. Speaker, it is with great pleasure that I rise today along with my colleague Mr. VALADAO to recognize the 25th anniversary of the California Farm Water Coalition. The Coalition's contributions to California's agricultural industry deserve to be commended.

Since 1989, the California Farm Water Coalition has been working with farmers, law-makers, and the news media to provide factual information emphasizing the importance of farm water to California's food production. The Coalition was instrumental in increasing public awareness about the resourceful water use practices that farmers partake in daily. Some interest groups falsely criticize farmers for not using their water efficiently, making these public awareness efforts even more important.

The Coalition is the largest organization in California that focuses solely on water for agriculture and is comprised of a diverse membership, which includes water districts, agencies, farmers, and organizations from the entire state. For the past 25 years, the Coalition has provided an outlet for their members to share their views and accomplishments with the public.

The California Farm Water Coalition works diligently to increase public awareness so individuals understand the important role that water has in California's economy. Since 1996, they have reached millions of motorists through a billboard campaign with the slogan, “Food Grows Where Water Flows.” They strive to stay innovative in their marketing techniques so that consumers are educated about the importance of water to growing their nutritious fruits and vegetables.

In addition to educating the public on the importance of farm water, the Coalition participates in key legislative meetings to provide valuable data pertaining to farm water and pending legislation that will affect farmers and their use of water. Their participation and resources were useful in the development of the Central Valley Water Plan.

Mr. Speaker, I ask my colleagues in the U.S. House of Representatives to join Mr. VALADAO and myself in recognizing the 25th anniversary of the California Farm Water Coalition. The State of California's agricultural industry has benefitted immensely due to the hard work and efforts made by the California Farm Water Coalition.
